### SELECTION PROCESS

1. A panel of professional crafters and artisans will jury the crafts.
2. Crafts must be handcrafted by the seller, but that will not be the only criteria. Selection will also be based on quality and originality.
3. To be in the 1st round of jurying applications, payment and photos must be received by August 1, 2006.
4. If you are not selected, there is no need to re-apply for the later jury process unless your craft has changed.
5. Crafters who participated in the 2005 Harvest Craft Fair will need to submit photos of new items.
6. Photos will be returned if application is not accepted.
7. Due to the popularity of these shows we will not be able to accommodate all applicants.
